Numismatic Gallery Public Auction

Sale Catalogue No. 18

SATURDAY, OCTOBER 24, 1942 -- 1:30 P. M. SHARP

Conditions of Sale

1. All Bids must be PER PIECE as listed in the catalogue, unless otherwise designated. Highest bidder to be buyer. Decision of Auctioneer is final.
2. Buyers must identify themselves if not known to the cataloguers. Mail bidders not having an established credit should send a deposit equal to 25% of their bids. A charge of 5% will be made for executing mail bids up to \$100.00; no charge except for lots actually purchased. In no case will there be a charge exceeding \$5.00. Lots will be purchased below your bids whenever possible.
3. Lots will be on exhibition at the Numismatic Gallery, 42 East 50th Street, N. Y. C., from October 17th to 23rd from 10 A. M. to 5:00 P. M. and on the day of the sale until Noon.
4. Terms are cash. Remittances should be made when bills are rendered. Our pledge to consignors to make complete settlement within 30 days after the sale, requires that the buyers cooperate by making prompt payments.

Special Notices

- a. Estimates will gladly be furnished by the cataloguers. Write the lot numbers on a sheet of paper, leaving space for the estimate opposite each number, put your name and address on the sheet and mark, "Request for estimates."
- b. An official price list of the prices realized will be published two weeks after the sale. Priced at 50 cents, it may be ordered by checking your bid sheet in the square provided for that purpose. A purchaser whose bill exceeds \$25.00 will receive a price list free of charge.
- c. This is a PUBLIC AUCTION sale and all are invited to attend. Mail bidders are urged to send their bid sheets in early. Every sale finds some bidders too late.
- d. Some bidders also enter bids on lots other than those they really want. For this reason, we are making a change in our bid sheet. After the lot number, enter the first word which follows it in the catalogue—thus No. 19—1829; No. 85—Mexico, etc.

It is a splendid investment!

You aid in the drive against inflation. Every dollar you spent for coins means a dollar less available for consumers' goods. Coins are capital, not consumer goods.
